1065 respondents

CONFIDENCE LEVEL

95%

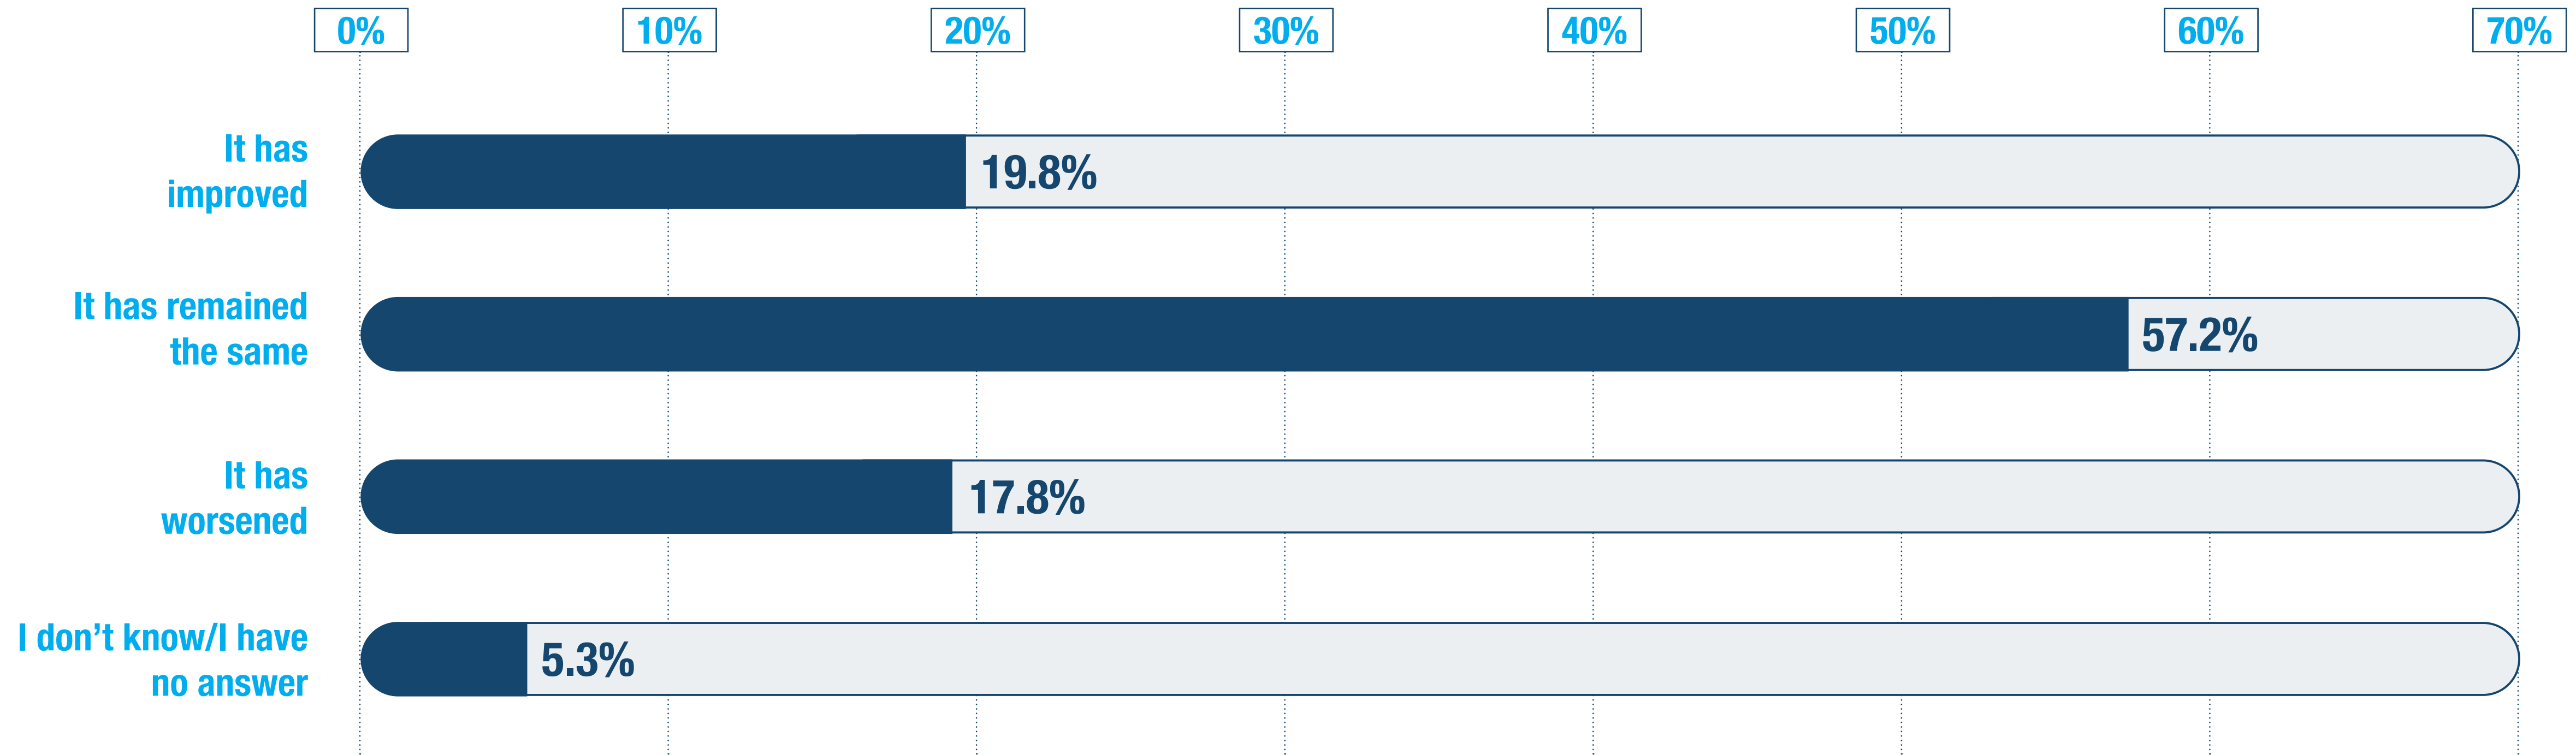

MARGIN OF ERROR

of +/- 3%

JUNE 2024

1

Reforms in the justice sector that started years ago have continued in these three years of the Kurti Government. How do you evaluate the performance of justice institutions (courts and prosecutors' offices) compared to three years ago?

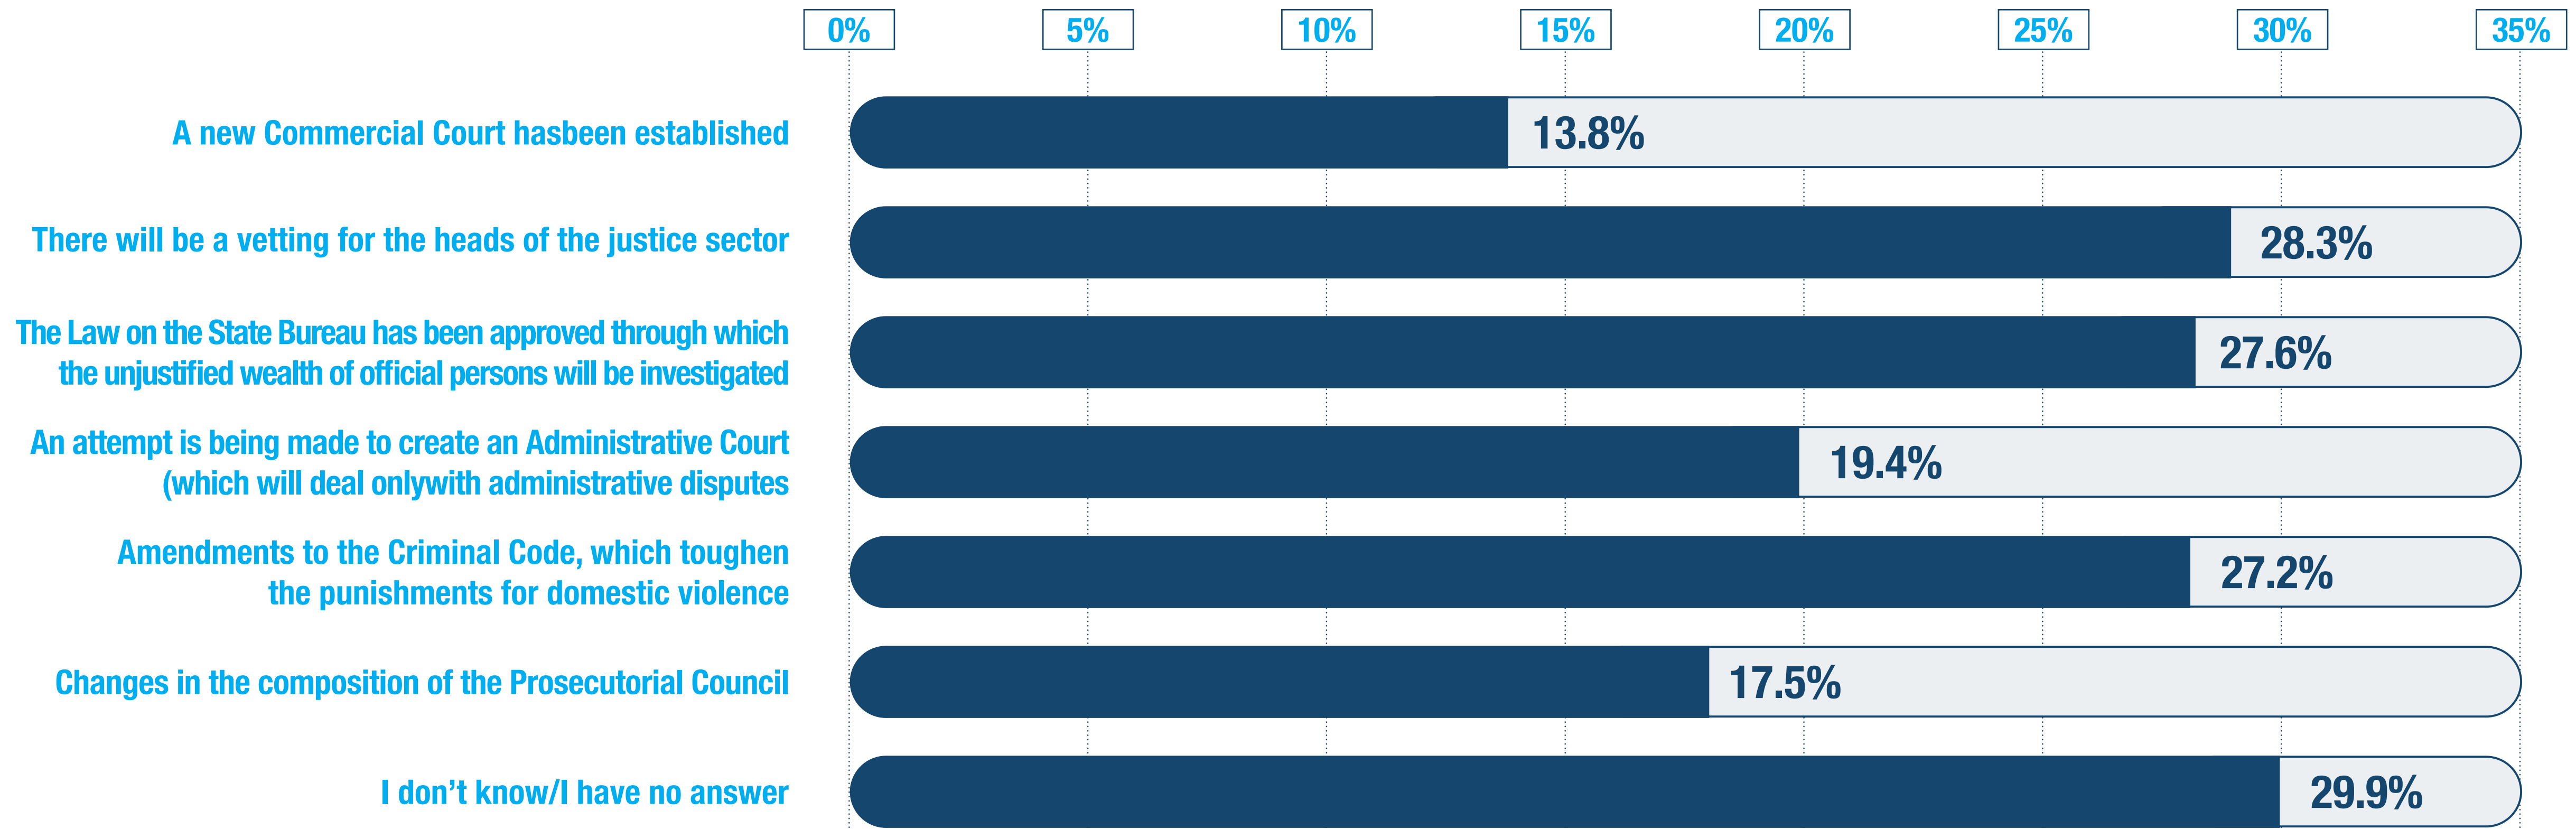

JUNE 2024

2

Which of the legal initiatives within the Judicial Reform have you heard about?

(Option: More than one response)

JUNE 2024

3

In which aspects of the justice sector should justice reforms continue?

(Option: From most important to least important)

	In reducing delays in handling cases in Court	In better implementation of court decisions	In increasing penalties for judges and prosecutors with poor performance	In greater supervision of the work of prosecutors and judges	In harsher punishments for perpetrators of criminal offences	Higher salaries for justice sector workers	Other, specify
The first and most important choice	30,3%	18,8%	20,3%	12,7%	13,1%	4,7%	
The second choice	21,5%	17,9%	22,9%	17,0%	15,3%	5,3%	
The third choice	15,5%	16,3%	18,8%	19,8%	17,0%	12,7%	
The fourth choice	12,9%	19,1%	15,7%	22,6%	16,8%	12,9%	
The fifth choice	12,5%	16,7%	12,6%	18,1%	24,7%	15,4%	
The sixth and least important choice	7,3%	11,1%	9,7%	9,8%	12,9%	48,6%	0,6%
